Clean large bedroom in a quiet location.

The Lady:

Petite in height. great body. Face is blocked out in photos but similar and attractive with long dark hair. Polish and speaks perfect English. Probably over the age stated, 30 but in great shape. Firm boobs and large sensitive nipples. Shaved pussy and wet from the get go. Very Friendly and a full on GFE

The Story:

She arrived a couple of minutes late and left a few minutes early. Not great. But the rest was brilliant. French kissing throughout. dirty talking throughout, and quite natural, not staged. Loves her pussy being licked and fingered, gently. Also willingly performed WS. Loves sucking cock and licking balls and does it well.

We didn't have intercourse, my choice, but she asked on more than one occasion if I would like to fuck her pussy. All in all a really good punt There was nothing missing
