The Premises:

Very clean. Good lighting. Comfortable bedding. Very Calm and classy neighbourhood. She has an amazing taste in art and is also a Star Wars fan. So I felt really comfortable and really happy.

The Lady:

Stunningly beautiful. She has an amazing smile and is really clean and hygienic. Her boobs are to die for. At one point I couldn't breath under them. She loves when you bite her nipples and nibble on them. She looks even better than her pictures. I usually don't like to go down on a lady but I went down for her as she was well groomed.

The Story:

Izabella was the first person with whom I had sex in my life and I could not have asked for a better partner in bed. She was very in tune with me. Completely hygienic and man she looks amazing. She is really one of the funniest person that I have ever met and she has these really cute tattoos for her dyslexia on each arm. I spent a lot of time conversing with her and on if the funniest evening of my life. I stand by my review and would recommend everyone to try her out. You would 10000% go back for more.
