The Premises:

Nice location.

Parking super easy and discrete.

The maid who let me in was lovely - polite and cheerful.

Premises very clean.

Only complaint would be that the rooms are not very soundproof. Could hear everything that was going on in the next room, which was a little disconcerting. Also meant that Demi was more reserved as she didn't want to be heard next door.

The Lady:

English. About 5' 4" / 5"

Gorgeous.

Photos do not do her justice.

Figure absolute perfection, without an ounce of excess fat. Breasts very perky, maybe not natural - but firm and full-some! As I like them! Legs were to die for.

Facially not classically beautiful, but very much to my taste.

Hair was red (dyed) and I LOVE a redhead.

Friendly, and chatty, but also happy to give orders.

The Story:

My first time at this location, and I am always nervous the first time that I visit. No need to have been. I had to wait a little while whilst the room was made ready, which was no problem.

The maid led me upstairs to the room, and said that I should shower and wait for Demi.

When she arrived I was NOT disappointed. The physical description can be read above and that turned me on enormously. I was more turned by her attitude which was no nonsense. I like a lady who will take control and there was a no nonsense instruction given: "Lay face down on the massage table, butt naked". That turned me on too.

The massage itself was wonderful. Plenty of B2B. Plenty of teasing, with hands reaching under.

Massage could have been a little firmer (but I could have asked for that, so really not her fault.

Punters should communicate!).

After a good half hour of massaging the backs and legs she told me to turn over. When I did she was

completely naked and wow did she look good. Plenty of oil applied. Wonderful sensual massage, with lots of eye contact, and talking (which I also love). It was very hard to keep myself from cumming and she teased and teased to make it all the harder.

Eventually, she told me that had to wait 60 seconds more, squeezed and squeezed, and when I came it was INTENSE.

Wonderful experience, highly recommended.

Can't wait till the next time that am in the country. I will be bac to see the wonderful Demi again.
