Easy to find, central MK plenty of parking. Clean ground floor flat. Was offered a shower but declined.

The Lady:

Exactly as per her photos - slim petite firm breasts tanned body.

The Story:

Arrived early, asked to wait in bedroom. Jess entered dressed in a 2-piece outfit and greeted me with a kiss. Not a lot of conversation, I caressed her breasts and she began to strip off and I was asked to do the same. She didn't ask what I wanted to do and we both lay on the bed, I had to ask to lick her pussy and once I had started she said no fingers inside her cunt. Some reaction but she soon put a condom on my dick and started to suck.

After a while I was hard and asked if we could '69' which she agreed to, again no real reaction and she soon went back to concentrate on a long and pleasurable blowjob. I asked when we could get into a fuckable position and she kept saying I was not hard enough (I thought otherwise) which was very disappointing. I then just let her carry on and eventually came to a 'handjob'.

I used Jess because Ella was not available, but next time I will wait for the much superior lady.
