The Premises:

Betty has recently moved to a very nice flat a few minutes walk from Bayswater tube. It's clean, comfortable, and she has obviously taken pride in the furnishings. The shower works well and is big enough to share.

The Lady:

Betty is a very pretty Thai woman in her late 20's, fairly short, with a curvaceous figure and lovely enhanced breasts. She looks very sexy, with an obvious enthusiasm for the work. She has only been here, and with the agency, for a few weeks.

The Story:

After a tentative start, while we got to know each other, Betty launched herself into an intense kissing session and then steered me to the bathroom for a pleasurable shared shower. After an erotic soaping and drying off, it was back to the bedroom for fun, intimacy, and sex. I'm pleased to say that Betty remained horny throughout, being particularly appreciative of some vigorous reverse oral, matching my enjoyment of her oral on me. Great sex to finish, and a nice cuddle afterwards.
