### The Story:

Called first class to see who was working and arrived shortly afterwards. Two girls available and one in the room. I chose Roxy after reading a good review and liking the look of her. Shown to the room by receptionist and told to get comfy. Roxy entered a few moments later as I was undressing wearing a tunic. She stripped off to reveal a matching set of pink underwear, which was nice. After undressing she asked me what I like and how I wanted the meet to go. I fancied just oral for this visit after a long shift at work I wanted to unwind and relax. Roxy was happy to oblige and started a very nice soft slow blowjob (owo) which was great. After 5 minutes or so I asked to switch positions so I was kneeling on the bed. This way I could get a better view in the mirror. Roxy was happy and carried on sucking my ever throbbing cock. I asked to finish on her tits so she laid on the bed with me knelt over her. She carried on a mixture of wanking and sucking while while I played with her clit with my fingers. Then I finished myself off over her tits while she gave me some dirty talk and encouragement. Roxy commented on how much there was and that it would have been a good mouthful and a good drink so I am assume cim and swallow is available too. Then abit of chit chat about both out tattoos while getting dressed and left feeling extremely relaxed and empty. Overall a great 15 minute booking with an enthusiastic lady who possesses good skills.
