The Premises:

Sisi works out of her own place in a modern apartment block in a safe, quiet side street in an otherwise fairly busy part of town – hardly anyone around when I was there early afternoon, and certainly not taking any notice of me. Sisi had me text her when I arrived so she could buzz me in – all good.

Large apartment with a nicely-appointed, clean and tidy bedroom, all laid out nicely for our massage session, and with relaxing music playing. Good shower (easy to control the temperature, unlike some lady's showers!), bath toiletries and soft towel – all good.

The Lady:

Sisi is a mature-but-fit-looking, compact little pocket dynamo (accurate profile pics). Gentle, exotic Asian features (which I always like), with luscious, long hair, dyed yellow-golden blonde – a real treat for the eyes! Her spoken English is quite basic, so not too easy to have a conversation with her, but she has a great sense of fun, and is able to communicate a great deal by her facial expressions, hand movements, chuckles and laughter. I found her to be a delightful, cheerful, relaxed, sexy, sensual lady who clearly wanted to go all out to make sure my time with her was a great experience – which it most certainly was! Good comms before our meet, which became quite witty and amusing – as I say, Sisi is a fun lady!

Sisi greeted me in a black, figure-hugging dress which had 'designer holes' in it through which I could see parts of the 'skimpy bikini' I had requested and, also as requested, the high-heeled, over-the-knee, the black leather boots she's wearing in some of the photos in her website Gallery – VERY sexy, and a great start to 'proceedings'!

The Story:

This was a totally unique massage, in my experience, at least, and enormously enjoyable. Started off with a lovely, assisted shower with Sisi (not under the shower with me) giving me a good old scrub down with foamy soap and shower mit, whilst paying naughty 'attention' to my cock, which was very soon standing to attention, and thereafter staying that way for the rest of the session!

Then I'm out of the shower and face down on Sisi's professional massage table for a wonderful, and much-needed by me, head-to-toe massage that was firm and skilful, and really ironed out my knots – I was clearly in the hands of a professional masseuse.

After a while, things started to become increasingly more 'intimate' and naughty. I won't go into

too much detail of what happened next, not because of some silly 'Gentlemen don't tell tales', or similar nonsense (!), but because it was the sequence of surprises that delighted and entranced me, so don't want to spoil it for you. Suffice to say, Sisi teased and tantalised me, my cock, and my prostate, to oblivion in an incredibly erotic and skilful manner – Sisi clearly enjoys being able to do this and really 'goes for it', with joyous winks and 'knowing' smiles!

Sisi, now down to just her skimpy bikini, expertly edged out three pre-cums, with a little guidance from me, spunk dribbling uncontrollably out of my twitching cock, much to Sisi's delight, followed after a little while by the complete 'Happy Ending' – a really intense, highly vocal one after all the teasing and edging – WOW!

So, a hugely enjoyable and delightfully naughty massage session with a delightful and naughty lady – I'll be back very soon for some more of this! VERY highly recommend :D x
