The Premises:

Well established parlour, tucked away from the main street, plenty of parking. Clean and tidy rooms

The Lady:

Not quite as the photos but to be expected as they are pro photo shoot pics. Older than pictured but nice body, boobs are slightly enhanced I think, pretty face and lovely dark haired Polish lady

The Story:

I saw Eva on the way in and knew she was a good choice. She has reviews as Eden from MK which I wish I hadn't read as she was not as good! She came in the room with nice underwear, we had a peck on the lips but then avoided kissing from that point on. Tried to go down on her but apparently that was extra! Some OW followed (owo not offered) which was ok. Then took her from behind at her request, turned over with me on top then a hand job to finish checking out her nice body. She then offered a massage to fill the remaining time which was good. Overall it was ok, still not into the extras thing as the profile says all services. They get a bigger cut of the fee more than anywhere else I think
