### The Premises:

This was the second time I've tried to get a return visit to Suzy and this time I succeeded. She was located between Paddington and Bayswater on this occasion. The room was quite small, but adequate. There were shower facilities inside.

### The Lady:

Suzy is a mature girl with the body of a girl in her twenties. Her best feature are her breasts. They are natural with very prominent nipples.

### The Story:

I had a lovely time, but when I arrived she was engaged in an argument with the previous client. I was waiting in an adjacent room, but I could hear him being very rude and disrespectful. She was OK when she saw me and she gave me a really excellent massage with oil on a massage table. It was mostly quite firm and she loosened a couple of knots in my shoulders. There were no discreet caresses and the massage wasn't hurried. It was only when I turned over that Suzy removed her dress to reveal her lovely breasts. I really enjoyed stroking them and sucking her nipples. The relief was really good too. She didn't grip too hard and she rhythmically stroked me to a very satisfying climax.
