The Premises:

A really easy to find basement flat. Comfortable inside, spacious enough for what we needed. Nice shower etc.

The Lady:

Tracy looks just like her pictures, she is an very naturally beautiful Thai girl. She has enhanced boobs, but they are really well done and look and feel fantastic. I can't say her age, because I have no idea. Heaven knows how to tell how old a Thai girl is. Didn't matter anyway. She is very slim and speaks pretty good English. Very friendly and always happy, with a lovely smile. She's just one of the best I have to say.

The Story:

The experience was wonderful, as it usually is with these Thai girls. For the money you spend, you get much more than you do with any other type of girl. She was dressed in a type of leopard print bra and panties and was very tactile when I arrived. Lots of kissing. Quick shower (was offered to have one with her, but I wanted to get onto the good stuff). Started with some of the best OWO I've had with an Asian girl. She has some great skills with a lot of ball licking and teasing with her tongue. I could have finished right there, but she wanted to have sex. This was amazing too. A couple of positions. Favourite with her tits in my face. Couldn't hold back. Jerked it over her mouth and she took the lot in.

Returned for one of the most relaxing massages I've ever had. She's wonderful. Then she turned me over and started to work on my cock with some oil, nice and slow. She built me up to another orgasm in no time at all with her oily hands and her mouth, and I came in her mouth again! These days I don't usually go two times, but she did it!
