The Premises:

Good parking, discreet entrance and nice welcome. Already booked with Charlie but met Ruby in the waiting room as well.

The Lady:

Absolutely stunning looking Lady. Tiny boobs and ass. Perfect figure for me. Her pictures don't show a lot but she is gorgeous.

The Story:

Came into room smiling and really friendly. Quick chat on what i was into and if i wanted any extras. I declined at this point. I always like to see how things develop first. She asked if i wanted her to take her lingerie off so of course i agreed and started sucking on her wonderful tiny boobs, which i love but don't see on many girls. Asked her to get comfortable while i licked her pussy. Perfect smell and taste and great looking up at her pretty face. After 5 minutes or so time to taste her ass. So she got on her hands and knees so i could tongue her. Again amazing, she let me put my tongue in deep and seemed to enjoy it. Then on with the condom for a bit of fucking. Pussy felt great but i was too sensitive by this time and needing to cum. Off with the condom for a wonderful hand job over her perfect tits and big cum. Did the gentlemanly thing and licked her clean after. Great chat after. I will definitely return!
