The Premises:

The normal Annabelle place, well reviewed elsewhere. Easy to park, and clean.

The Lady:

April is slim, well toned, nice tan complexion, pert breasts, stand out nipples, pert bum, pretty eyes, nice smile, great hair.

She wore pink boots with very high heels, and a white one piece, undo at the crotch and slip down the shoulders, and white stockings

The Story:

April entered and immediately started to kiss me, with some LFK, then her hand moved down to my clock which she felt through my trousers, I was rock hard and April obviously felt it was time to strip. I was surprised by how stiff her nipples were, they really accentuated her pert and small boobs.

April was happy for me to lick and suck at those nipples.

Other things to note, her oral was great, and I was surprised how deep she could go

The main event, reverse cowboy, doggie and ending with missionary.

I asked if she would talk dirty, which she did.

Great time. A nice chat afterwards, she's a really sweet woman. I wish you well April
