The Story:

I had the pleasure of meeting Bunny before some time ago in a booking with her, Ella and Sasha and was nice she remembered me.

I booked Bunny for 90 minutes with Apple joining us for the final hour.

Bunny gives some of the best DFK you can get and this was full on the whole time my mouth wasn't otherwise engaged.

We started with Bunny sat on my face before moving to 69,

At this point Apple joined us.

The girls took it in turns - one kissing me while the other sucked my cock, both girls are great at this and it was impossible to not erupt.

After a little while the girls resumed positions and ended up both down there which was pure joy to watch.

The girls decided it was time for some sex and asked who I wanted to start with, difficult choice but I opted for Bunny who gave some amazing cowgirl while I got to know Apple's lovely pussy.

Numerous positions then followed with both girls - heaven.

I finished off with both girls sucking and tugging my cock with Bunny sat on my face and with minutes to go managed to release another blissful load.

Very memorable and enjoyable booking - cannot recommend these girls enough.

Bunny if you're reading this - sorry for leaving it so long to see you again, definitely won't be long until next time
