The Lady:

Nancy's face is hidden on the website but she is very attractive, petite, smartly dressed and has a great figure.

The Story:

I've used Pat's excellent 00-44 service over a number of years and it's always good to be remembered like an old friend, even though I rarely get to London now. Having studied the website, Nancy came top of my wish list - though there is so much delicious temptation there - and it was efficiently arranged for us to meet at my hotel for a dinner date.

Setting aside the obvious reasons for meeting an escort, you invariably get to link up with an attractive and vivacious woman from the 00-44 portfolio. And so it proved with Nancy.

She's lively, interesting and overall great company. It was particularly nice to be told – something like – “I'd probably be doing this anyway, so I thought, why not do it with decent people?” Why not indeed? And how nice for me to be considered “decent”, lol! Whilst I never discuss in any detail about what happens at such meetings, be assured you will - based on my experience - definitely have a really great time with Nancy, should you choose her.
