### The Premises:

As always very clean. I prefer to use one of the larger rooms but these are now apparently being refurbished.

### The Lady:

Stunning!

Phoebe wouldn't look out of place in any high quality porn movie!

Baby blue eyes, blond hair and full lips and a body to die for!

Her lingerie was exquisite and barely held her fabulous bust in place!

She also has the most shapely and firm posterior I've ever had the pleasure of squeezing!

Her skin is so smooth and soft to touch~

### The Story:

Wow!

I've been trying to see Phoebe for some time but work always got in the way until finally I got a day off (thank you for the Bank Holiday your Majesty) and we finally met. Phoebe is stunning and has a sensational figure!

Her piercing baby blue eyes are mesmerising and her sexy lips are beautiful!

She wore exquisite lingerie which barely held her fabulous figure in place!

I won't go into intimate details but Phoebe clearly enjoys what she does...and does it passionately!

One of my great pleasures is ensuring the lady I'm with also enjoys the experience and judging by us both ending the encounter in a panting heap on the bed...mission accomplished!

It was also so nice that in the remaining time there was no rush just a kiss and cuddle and lovely chat!

She even said as I left "that was just what I needed this morning"!

Such a lovely (and very naughty) girl....I fear she's going to bankrupt me!
