The Premises:

The venue was an apartment in the shopping district of Milton Keynes, very discreet. Very clean and tidy.

The Lady:

Very pretty. very soft pale skin. Exactly the same as the photos.

Came into the room in stockings and a leopard print top.

The Story:

Her Profile reads "She also has a dominant side, tie n tease and strap on play are her specialities". Cool i thought.

Her profile has a number of neutral and No's but i love red heads...

SERVICE - appointment was for 2pm, arrived a few minutes prior, sat in the room for a while and her first words were

"We have 25 minutes " ...went down hill from there.

I wanted a strap on service.

" I bought some restraints/gags" i said. She said no to the gag and no,no no.to the other stuff i bought.

She tied me to the bed with rope which was uncomfatable, she didn't seem to be that interested. I asked her not to play with my cock as I didn't want to come to early. I had to do most of the work when she used her strap on.

After about 10 mins after saying politely not to play with my dick i came...she plonked some tissues next to me.

I got dressed...she engaged me with one line. I copied and pasted this next paragraph from one of here reviews..just edited it a bit to suit my experience.

"I felt like she was the client & I was the one doing all the work!

It was such a disappointing experience, after about 15-20 mins of banging away, i finished, as she had pretty much put me off ,10 mins short of what I'd paid for, very disappointing indeed! "

I could not get out of the door quick enough.
