The Premises:

Met at well-known 4 star hotel near Paddington station. No issues entering or meeting her to go up to the room.

The Lady:

Nice stature, tall and shapely, sublime curvy figure. Womanly hips, large round toned behind and long legs, huge tits. Stunning face, bit of work maybe but she looks great, nice soft full lips and her eyes are beautiful, alluring as hell. Tattoos but still looks very classy dressed, she was very stylishly sophisticated, knows how to dress and wouldn't look out of place at a glitzy event full of celebs and models.

The Story:

I felt relaxed as soon as we met as she's laid back, confident. Recently back to punts after 2/3 years, seen ladies out of convenience when Stormy London was away during London trips though none good enough to write about. Did get to see Stormy last week and it was her profile on AW that I saw photos of them together and reviews about being a filthy and fun duo team. Clicked on Tyga's AW link on Stormy's and pretty much arranged within a few days.

Tyga is witty, interesting, charming, fun. The sex was exciting and filthy, PSE but not mechanical or OTT, she knows exactly what's she's doing, amazing oral skills, nice eye contact, and an incredible looking pussy, like Stormy! Thoroughly makes sense that Tyga and Stormy are friends and perfect duo buddies, certainly planning that. I should do a recent review for Stormy as she was exceptional last week, great when I saw her before the pandemic, definitely evolved and better in every way than when I first met her after she left Phoenix Parties and HOD to go independent. Tyga is new to AW but not new to the industry, she seems to have had lots of adventures indeed!

Tyga is lovely and genuine woman who happens to have intoxicating looks, is sexually confident, loves sex and knows how to have a giggle - all I want really! After we fucked like rabbits it was nice chatting to Tyga, she had me laughing and had quite a bit of playful banter, a perfect end after pretty exhilarating sex.
