The Lady:

I have met this lady many times before. It's been a while since we last met as she was away. Bia is a absolutely stunning girlwith an amazing smile! She's tall with long legs and curves in the right places. Shapely boobs and bum!

The Story:

As its been a while since I last met her, thought it's about time to see her again after a few years. Facially still beautiful and has great sex appeal. Light kisses were offered, as I was hoping FK like she used to but unfortunately not the case upon my visit. Maybe it was down to her having sniffles or something, or just times & services has changed. Apart from rest of the services were excellent! She enjoys what she does, very professional and have to say she's one of those girl that has a great friendly personality and genuinely a nice caring person! 1hr was too quick for me, so next time I'd book longer as very good value for money compared to other girls and sexually she's very pleasing!
