The Premises:

As extensively described elsewhere here.

The Lady:

Beautiful face - 10/10

Toned stomach and lovely pert boobs.

Bigger on the back and legs (I love that).

Website photos are accurate, but obviously her face is blurred.

The Story:

I had an initially relaxing, then very highly charged time with Cherry - it seemed criminal that she didn't have a review.

Cherry was really easy to talk to and pleasant company regardless of what was about to go down.

Massage was really relaxing, with the occasional accidental nudge which kept me interested.

She then really built me up ready to turn over and then really had me shaking.

Amazing experience.
