The Premises:

Sisi (Sisi_Massage_Me on AW) works out of her own place in a modern apartment block in a safe, quiet side street in an otherwise fairly busy part of town – hardly anyone around when I was there early afternoon, and certainly nobody taking any notice of me. Sisi had me text her when I arrived so she could buzz me in – all good.

Large apartment, nicely-appointed, clean and tidy. 'Dedicated' room, light and airy, for the massage, all laid out nicely for our session, with massage table ready with a clean paper towel rolled along it, and with relaxing music playing. Good shower (easy to control temperature, unlike some ladies' showers!), bath toiletries and soft towel – all good.

The Lady:

Four-hands session with the exotically Asian Sisi and her very good friend (flat-mate?) Anna, also Asian, and also 'mature-but-fit' like Sisi. At 'Sisi's place', but was greeted at the door by Anna, wearing a figure hugging green dress – she has the sort of slim figure that looks good in a tight dress - and, as requested, black, over-the-knee boots. Wearing a mask, which was a slight surprise but, as we know, we do still have to be careful. Nevertheless, could see her friendly, shiny, sparkly eyes peeping over the mask, which was nice. And, as you'll see later, the mask did not detract in ANY way from Anna giving me a great time.

Led me into the living room where I was greeted wonderfully 'enthusiastically' by Sisi (I guess because I've seen her before). Wearing a lacy top and a black, slightly see-through 'body' that showed off her nice figure and, as requested, black, leather over-the-knee boots: O-M-G – TWO Asian ladies in black over-the-knee boots were going to give me an erotic four-hands massage – just what fantasies are made of!

Sisi has a great personality - cheerful, fun-filled, delightful and slightly 'zany', which makes for a wonderfully relaxed and sexy time. Likewise, Anna was an incredibly friendly and delightful lady – she and Sisi are both just two lovely ladies who went all out to make sure they gave me a truly memorable four-hands session.

Every-so-often, as these ladies had me squirming and gasping as they skilfully worked me over, Sisi would give me a grin and a 'knowing' wink, and blow me a kiss, whilst Anna clearly conveyed her delight at my reactions via her expressive eyes (and I could tell she was smiling under her mask!) – a very naughty and cheeky duo.

The Story:

After the welcoming greeting, the girls led me into the massage room and got me to undress in front of them, which was VERY sexy and had my cock springing 'to attention' as soon as my trousers were off, lol! There's a bit of suggestive feeling and fooling around and then I'm face down on the massage table (I had a shower at work just before leaving for this session), whereupon the 'dynamic duo', who clearly have been working together for some while, expertly set about giving me a thorough, firm and 'determined' double massage, with the ladies skilfully alternating between my upper and lower body as they pressed and pushed and pulled on me to smooth out my creases and iron out my knots.

Next thing you know, whilst Sisi is working my neck and shoulders, which feels glorious, Anna alternately gets my knees up on the table and starts on the reach-through and cock grabbing, leading to her pulling him right back through my legs with Sisi joining her to tease and tantalise my oiled-up bum, balls and perineum – outrageously provocative and super-pleasurable!

Then I'm over onto my back, the girls start on my front, kneading and teasing and tantalising my cock and groin area. Anna takes off her dress to reveal a nice bra and a skimpy thong with thin, sparkly sides, whilst Sisi gets down to her see-through 'body'. They're taking it in turns to wank me whilst also teasing and tantalising my nipples and arm pits. Well, as you'd imagine after all these carrying-ons, I'm soon near to cumming, so get Sisi to edge out a nice little spurt of pre-cum, just to keep things moving on. She and Anna then take it in turns to do a couple more edged-outs, before taking it in turns, sometimes with all four of their hands on my cock, pumping furiously, to bring me to a blistering, highly vocal and expletive-ridden climax which, with winks and fun facial expressions, they both absolutely delighted in – JOB DONE!!

So, a fabulous four-hands mix of firm and erotic massage with two incredibly lovely, friendly, skilful and naughty ladies – highly recommend! :D x
