The Story:

So I walked into the room and I didn't even want to book Dallas I wanted Sonia but she was not free. I sat on the chair and Dallas walked in I am the kind of punter who like to build a rapport with the lady and not make the whole time there just about the sex. I asked some questions but all I got was blank stares! it was awful that she couldn't speak any English and to make matters worse she was on her phone!.

The massage Dallas gave me was really good but not being able to speak English, being on her phone while with me talking to someone else and she didn't offer that much service and I blew my 200 pounds felt like the worst punt ever. If you are looking to book someone then Sonia is the person to book because she can speak English and can perform really well.
