The Premises:

A very modern high rise block about a 5 minute walk from South Quay DLR station. There were shower facilities inside and the room was air conditioned. Modern flats like this really enhance the experience.

The Lady:

A dainty Chinese girl possibly the girl profiled but I wouldn't swear on it. She had lovely soft B cup breasts and a small bum.

The Story:

I really enjoyed this session. I went into it feeling a bit tired, but I felt great while the session continued. I undressed and focused my attention on Aya's breasts and bottom. We eventually laid down on the bed and Aya gave me some light OWO and also licked my balls. I was totally relaxed and enjoying the OWO/licking and masturbation. Eventually we had covered sex in three positions. Cowgirl, reverse cowgirl and doggy. I had to take it easy because Aya was so small. With her permission I removed the condom and came over her bum.
