The Story:

Me and my fiancée booked her for the first time. It was a very professional experience. She has a warm and welcoming character and we felt comfortable the whole time. She made efforts to get to know us and did not rush anything. It was my fiancé first time doing this and Andi was perfect in making her feel super comfortable and explored with her in a calm way, my fiancé was so grateful for the experience and will want to book Andi again.

If you are a couple on the lookout for a really professional person who provides that experience you want then she is your girl!
