The Premises:

House of Divine premises in Victoria. 10 minutes walk from Victoria tube station. Impressive looking flat in one of the Georgian era townhouses. Friendly and polite maid.

The Lady:

The best way describe Jules: A young, petite, and prettier Katie Price with natural sized boobs. Very smooth and tight body and she was wearing Victoria's Secret underwear.

The Story:

I'll cut to the chase here. There have been mixed reviews of Jules and I can see why. She can be a little bit cold and uninterested. One reviewer said that her age an inexperience might be partly to blame because she's dealing with older, ugly blokes who are almost twice her age.

Well partial disclosure: I'm relatively young (30s) and I do keep myself quite well if, I do say so myself, and I was polite and friendly.

But I got that negative vibe from her. I requested OWO and she initially agreed but then changed her mind when things started. I'm pretty sure I'd kept my bits very clean - I'd even showered just before arriving. No kissing allowed either. Blowjob wasn't bad and I was allowed to explore her tits and neck.

In any case, she's a very beautiful girl with a great body and every guy will want to get that hands on her. Just some of you might get a disinterested vibe from her like me.

I'm going to give her the benefit of the doubt and put it down to age and experience - my recommendation is neutral. You should go see her if looks and a tight body are the most important things for you. But if you want someone who offers a bit more, go with someone else.
