### The Premises:

The usual place in Fenny Stratford. Got the grotty downstairs room but it was fit for purpose

### The Lady:

Petite, tanned Polish lady. At a guess I'd put her age at around 40, but she is in fantastic shape, with a rock solid core (abs to die for!), eyes you could lose yourself in and those breasts and nipples, man, you could write poetry about them!

### The Story:

My first time with Eden but will not be my last.

She bounced in, with a twinkling smile, plenty of chat and a lacey, strappy outfit that magically fell off after a few minutes.

I think the thing that elevated this to the stellar was her intuitive synch with my mojo, which was for a passionate, intimate but languid sexual encounter. This was definitely not a box-ticking exercise - I have no idea what Eden's limits are or what she might serve up to another punter. All I can say is that we enjoyed a sweaty, passionate and intimate 40-odd minutes, resulting in a one-all draw in the Orgasm Cup (replay to be organised soon).
