The Story:

So Gia put a post on Twitter a few days ago about organising a MMF and I replied saying nah FFM and she replied she is always game for that, so I asked her who and she gave a list of girls she has worked with and I asked who she wants to try and work with a Lucille was the one. A quick check of MKE website and they were both working Monday, so I pre-booked it!

I turned up at 1300 thinking it was at 1300 but turns out it was 1330, I'd asked for the top floor room which is more spacious and got the room, I went up and got settled and then they both appeared at the door. WOW what a sight! Now I was a little worried how these two would work together as Gia had told me she had never met Lucille before but they worked very well together, if you want a lesbian experience then I recommend them together.

We had a very naughty time and neither of the girls were shy with eachother! I got exactly what I wanted, both girls are stunning and I'd 100% recommend and see both girls again, separate and together.

Wondering now if we can get Gia + Lucille + another girl haha
