The Premises:

Diplomat massage parlour , a very clean place with very friendly reception staff and facilities are good with a free drink or two.

The Lady:

Very petite and attractive young 19 year old with long black hair , body is tight and slim and has a very nice tight little butt.. Emily said she was half Columbian but spoke very good English

The Story:

Saw Emily who caught my eye as she is a little looker and very petite , went in to the room for half hour which was a bit small compared to the other rooms but was there ok. Emily stripped to reveal her beauty tight body , boobs are big but a bit saggy. I paid £70 for full GFE which was a very poor service compared to what the other girls provide at the Diplomat

One I had handed over the cash Emily told she does not kiss or like her boobs sucked, not a good start ,Emily started with some OWO which wasn't bad but only put the tip of my dick in her mouth and kept her hand at the top of my dick. She then struggled to put the condom on me and said the condom was too small and that she may not be able to have sex despite me just handing over £70 to her.. I managed to apply the condom myself and went it to missionary with her , I did mange to go further in but she kept her hand near my dick the whole time so I could not penetrate her properly. I pounded away for a while but she kept asking me if I had finished which I eventually did. Would I see this girl again , certainly not as the service she provided was very poor for the money. Save your hard earned cash guys and see one of the other ladies, like Tina, Bella or Bonnie for a much better GFE ..
