### The Premises:

Nothing to add to previous descriptions Nice café on the front road if you're a bit early

### The Lady:

Scarlett is much better than her pictures lovely Italian accent and a great sense of humour.  
Enhanced breasts but beautifully done and feel completely normal.

### The Story:

Please ignore the unsatisfactory report on Scarlett she is a joy to be with. Really nice massage with the odd roam between the legs. I massaged her and I have to say what a delight to do this to a beautiful responsive young lady. We joked about her tattoos which were many but all very tasteful. A lot were quotes from books etc and I said that massaging her was like being in a library!

I then let her go to work on me and I had a huge explosion well worth the wait!!
