### The Premises:

The usual place by the car park in Fenny Stratford.

### The Lady:

Dallas is an early 20s brunette from Romania. About 5ft 5 with a good curvy bum and bigger than average boobs. Pretty and youthful face.

### The Story:

Ok, so another dark haired beauty from behind the Iron Curtain has been transplanted to Milton Keynes. But who am I to complain? It's all good news as far as I'm concerned!

After about 5minutes in the bedroom, Dallas walked in and I was pleasantly surprised. Good looking young lady with a friendly attitude, so I was happy.

Started off with some gentle kissing, which started to stray into FK territory, but not quite into DFK. Dallas tasted lovely and it's always a pleasure kissing a young and pretty lady.

Moving to the bed, we continued the light kissing and I treated myself to a good few minutes of sucking her pert boobs and reaching round to slap her phat ass a few times. Once I had my fill of boobies and ass, Dallas put a rubber on and gave me some very good OW. I don't mind if it's owo or ow nowadays, I just go with what the girls prefer.

Then came time for sex, cowgirl first and then doggy (both provided wonderful views). Finished in Mish, with the kissing getting a little more involved and passionate versus the start of the punt. At this point, I wished I had time for an hour, as Dallas was starting to warm up and it would have been nice to see how things progressed in the 2nd 30 minutes.

I liked the punt and Dallas herself is a very sweet and attractive young lady. Only downside is that her English is limited and she seems quiet. This is not a PSE, but a nice, sensual time with a pretty young lady.
