The Premises:

A very modern, cool flat near Island Gardens DLR. It had shower facilities inside.

The Lady:

It was the girl profiled although not as photo shopped. She had large, enhanced breasts which were a bit too big for her slender frame.

The Story:

I enjoyed this punt very much. Firstly, the modern flat was conveniently located and cool inside. Secondly and more importantly Tiffany was really friendly and good looking. The room was actually quite small, but this didn't matter. We started with an assisted shower. This provided me with an opportunity to lick her nipples and squeeze her petite bum. We returned to the bedroom and I received a relaxing, brief massage. After I turned over I received some lovely OWO coupled with ball tickling. This was really arousing and it got me suitably erect. We then had covered sex in doggy position. I tried hard to get over the line, but I had to resort to removing the condom and coming over her breasts.
