The Story:

Awful

Advertises owo.

But service was terrible, the most unenthusiastic even worse than vanilla service ever.

Oral with, terrible.

When I pay for an hour, she said I can have 2 times.

the first time, she put her arm between us, when I got the peak, she pushed me suddenly, making the dick out of her hole.

the second time, she said only BJ and hand ending, after 1 min BJ she said it didn't work, she tried and finished.

her rules: no hug, no boobs touch.
