The Lady:

Angelica was very pretty with a lovely smile her skin was soft I could easily believe
She was in her twenties she had a fantastic figure lovely boobs and great arse.

The Story:

When Angelica entered the room was greeted with a big smile and a long hug
She was laughing as she recognised me from previous visits to another parlour
The massage was amazing and the way she does body to body is the best
I have ever had. When she then reached under to touch my already very hard manhood I was in
paradise
I then turned over for a long fantastic hand relief. My abiding memory is watching Angelica in the
mirrors
Sliding her boobs over me. An hour to remember.
