The Premises:

Spacious well maintained and very clean flat in a low rise development off Edgware Road - note at least 10 minutes walk from the station.

The Lady:

Malee is very attractive and petite, all natural, just like her photos, absolutely superb firm natural breasts, and lovely smooth caramel skin.

The Story:

I was late, totally misjudging the length of the walk from the station, having arrived at the station a minute or so before 4pm, and arriving just before 15 mins past. Malee welcomed me with a smile, my apology for arriving late apparently accepted, so I accepted the offer of a shower (alone, as she was already dressed as per my request).

We then had a pretty good time, body to body massage being the highlight, some light kissing and good oral both ways, until at 5.30pm I asked how much time was left, and she said 10 minutes! So everything was then a bit rushed, and it turned out she had another booking so needed time to prepare.

I was frustrated at the time, as I was in the flat for 90 minutes, rather than 2 hours, and on many times previously I had been lucky enough to have the full time booked when I arrived. Not this time, but not Malee's fault to be fair. She's new, and I think the longer 2 hour booking was not something she was used to.

She is certainly worth a visit, young at 22 I think, quite good English, and a figure to die for if you like petite asian ladies.
