### The Premises:

Sima works in a studio apartment, in a large terraced house, just round the corner from Gloucester Road tube station. It is clean with a large bedroom and big bed, there is a nice clean bathroom with a decent shower. It is reasonably discreet, I didn't see anyone else around.

### The Lady:

Sima is petite and cute with a lovely smile. Her profile photos are accurate. She has a lovely bum, which was perfect in a thong and nice legs, her feet looked fantastic in her strappy high heel shoes. She has a nice healthy tan, smooth soft skin and a nice smile.

### The Story:

I texted the agency to enquire about a couple of ladies including Sima and was told she was recommended, happily I went ahead and booked her, I got her address straight away and headed over there at the agreed time. Babylon do make things nice and easy.

Sima greeted me in some sexy lingerie and high heels, we had a chat and sorted out the paperwork, she told me that DFK is £30 extra, which I paid her for, and I'm glad I did. I then had a shower to freshen up. Sima has a good grasp of English and is good to talk to.

When I finished my shower Sima was lying on her front on the bed, showing me her beautiful bum, gorgeous! I quickly got to work kissing, caressing and licking it. After some lovely oral on her, she proceeded to give me owo, I was standing in front of her mirror, she sitting on the edge of her bed.

We then got down to some 69 on the bed and this led to sex in many positions including with her on top. This must have lasted quite a while, as I noticed I had about 15 minutes left. I wanted her to finish me by hand, whilst we snogged, which she did expertly and I had a very intense orgasm - which she commented on!

Another shower and a nice chat with Sima whilst I dressed. We kissed at the doorway and I was away very satisfied.

I had a lovely time with Sima, I recommend her to anyone who like a petite, natural friendly and sexy girl. She clearly likes to please.
