The Premises:

Apartment a couple of minutes walk from the tube station. I was OK but the bathroom might possibly be on the small side for some.

The Lady:

Petite young lady as per the pictures. A tiny waist and nice natural bust.

The Story:

I was very happy with her appearance (as pictures) and attire, She was dressed in a babydoll, I prefer a little coyness to begin with.

Resolved paperwork, kissing is very important to my enjoyment so I opted for the DFK (+30), which was worthwhile.

She was responsive to my requests (both verbal and non) but was also happy to act on her own initiative.

Which was great as it gave our time a natural GFE dynamic.

Conversation flowed very easily during the recovery portion too.

She was delightful from first to last and I am happy to recommend and indeed revisit.
