The Premises:

Even on Monday morning free parking round the back

Nice clean room

As I am meeting a girlfriend I shower shave and dress before setting off it all adds to the GFE

The Lady:

Beautiful slim blond age 18 to 20 perfect toned body and beautiful face

My description on seeing her WOW WOW you are gorgeous

The Story:

I wanted a G F E and said I like going down on a girl Abbey leapt on to the bed legs wide open and pulled of her knickers I could not get my clothes off quick enough and dive in

She said she liked her nipples sucked and looking at those erect nipples had to oblige

She then let me kiss her all over and back to her lovely pussy

She allowed me to put my finger in her while licking her clit

From her muscle contractions on my finger I am sure she had an orgasm

Then on with the codon and sex in several positions before a successful conclusion

We had a great laugh as our conversation was so natural

There was no rush and it was me who said my time is up and we were like teenagers rushing to get dressed before our parents came home

She made me feel as if I was having my best teenage sex that I have not experienced in 50 years

Walk out walking on air magic experience
