The Premises:

Incall, easy to find flat, even for a London newbie like me. I walked it, so no idea on parking, but it was a pretty quiet neighborhood. Very clean, nice shower, water offered. So... very comfortable.

The Lady:

Carolina's pictures are a couple years old, so she is less "young" than "hot as fuck". Current age around 26 I think? So pretty, with that devilish glint in her beautiful eyes. Romanian, of course. She is pretty short, very svelte.

The Story:

I was very late to have time, and needed walking distance; the website provided Carolina as about a 25 minute walk away. A quick text booked the appointment, and her flat was easy to find in the Marleybone area.

I told her I was going to be quick, as it had been a couple days, and she obliged with some ball licking, butthole playing, all while giving me a splendid HJ. This got the first round accomplished fast. We then fell into some DFK and chat, and then I applied myself to DATY, which was wonderful. All sweet and clean and shaved, and leading to a fairly thunderous conclusion. Delightful.

After some more conversation, and some more making out, I was ready to go again, and she applied the cover, and off we went. Her body is so amazing, this was just a wonderful time in multiple positions until I finally was spent a second time. Wonderful.

It was quite late (past 1am), so after some more conversation and a shower I was on my way. Carolina is a treasure, great fun to talk to; you would do well to not miss her.
