To be honest, Kris looks better in reality than in pictures, she is a sweet and beautiful girl!

The Story:

Kris came in and immediately started kissing me deeply and passionately. I ran my hands over her and she untied my belt and jeans. We kissed and caressed before we both undressed. Still standing, I got to suck her breasts and play with her body before we moved to bed. OWO was simply divine and pretty soon she suggested a condom to me and then got me on the cowgirl.

It ended too soon - it was my fault! - but she was ready for another attempt. But I had little time, so I contented myself with a conversation and several kisses before leaving. I will definitely be back, because I would love to enjoy it again. I really highly recommend Kris!
