Pretty red head just under 5 foot tall. New photos of Bunny on the HOD site.

I have one problem with Bunny.....an hour is not long enough.

The Story:

Arrived a few minutes early & was shown to the room by the maid. I took advantage of having a shower while Bunny was finishing a earlier booking. When she came into the room I was expecting her to be in a summer dress, as it was summer dress week but no, Bunny came in dressed as a sexy school girl. I'm sure my jaw dropped. Sorted the paperwork out after being greeted with a dfk, then a brief chat about what I like. Before I knew it my towel was removed & Bunny was taking me in her mouth. When she stood up she went to undress but I asked her not to. I layed her on the bed & we started kissing again then I made way down & removed her underwear & went down on her. The sudden jolts & moans made me feel good then my head was held there while I carried on licking. We then moved onto a 69 & Bunny then inserted a finger in me, slowly at first then then a little bit quicker. It now my turn to moan. Bunny told me not to cum in her mouth but I wanted to finish on her body. Normally I would lick my cum off her but for some reason I didn't. After a good massage we went for round 2. More oral both ways then we had sex in a few different positions & Bunny was finally undressed. Time was against me & I couldn't pop a second time. This booking was a long time coming for me due to my shift pattern, I hope I don't wait to long before I see her again.
