### The Premises:

Very easy place to find not far from Bayswater Tube Station. Nice inside and comfortable. All these Thai girls seem to have places that they customise especially for the work they do, and this is no exception.

### The Lady:

Betty is the same girl as in the pictures, but she is much prettier in person. Very slim and attractive. She has big enhanced boobs for her frame, but they look amazing and don't feel too firm. She is super friendly, speaks pretty good English and overall a wonderful young woman.

### The Story:

It was nice to see a girl this early in the morning, and I'm guessing that I was her first of the day judging by her keenness and subsequent climaxes during sex. She was dressed in a nice black lacey piece of lingerie and some heels. She has a big smile for me and a nice big kiss. The first thing was her showering me and drying me off. This is one of the reasons I love these Thai girls, they always take good care of you. She gave the old chap a nice soaping too and got things more than ready for a session.

In the room she went down on me and gave me a really nice blow job. I was quite prepared to let her just keep going with it until I came, but she seemed very keen to get herself some fun too. I went down on her for a while before we rubbed our bits together nice and sexy and got her all wet and ready for me. We had sex in many positions: missionary to begin with, then with her on top, me from behind and her on her front, and then some nice doggy in front of the mirror with me holding onto her big tits. This looked great. She climaxed here I think, and again in spoons after this. It was so sexy, and she has some good verbal encouragement.

I pulled out and she was ready with her mouth around the end of my cock to take the lot. Lovely!

Her massage was really good too, no hurry and nice and firm where it needed to be. Then she rolled me over and started on my cock again. Some more lovely OWO and wanking off, before she climbed on top of me again and started to ride me. I was well knackered by this time and decided it would be best for her to go back to jerking me off and OWO, which she did happily, but it just wasn't

having it. Still nice and hard, just unable to cum. We both got off the bed and I watched her walk towards the door and started playing with my dick again, she looked so good. She saw me do this and laid herself down on the floor in front of me playing with her pussy whilst I wanked off over her. It was really hot and I ended up climaxing again all over her naked body.

What a woman!
