### The Story:

I have seen Jules several times. She is very genuine and once you get to know her friendly. At first quite shy and reserved. The thing I really like is that there is no acting - it is just how she is.

I started with some gentle kissing and then a massage for her which she seem to enjoyed, then a covered (my choice) blowjob, reverse oral and sex in several positions.

She has a lovely well proportioned body, beautiful smooth skin and can flash a warming smile if you can make her laugh and are patience and respectful.

It is well worth it to get to know her, I always leave fulfilled and relaxed.
