The Story:

This was a 4 some booking, myself a colleague and Olivia Rose & Charise. A mini sex party if you like, I had seen Charise and Olivia before and my colleague had met Charise before with me for a 3some.

We had booked for 90 minutes and it went so fast.

Both girls were amazing. We were offered drinks and showers which we took as it was a very warm day.

The sex was fantastic, both girls were very attentive, multiple positions, some great deep throat, some girl on girl action, great conversation, all round great time had by all.

We hope to do this again in the future.
