The Story:

So she is leaving end of this month. To be honest I have been putting off this visit because I don't like bad surprises

Anyways I said to myself her pictures are good you lose nothing give her a try

She had generally good feedback but on mediocre one

I didn't let that deter me.... Arrived and was given my customary glass of water before action

In she came in and said I'm all showered and ready for you!! I said I hear you are leaving so thought let me meet you plus I saw your feedback and she was like someone left me bad feedback I said forget that, I'll be the judge of that myself. Next she was feeling my weapon asking me what I like. I told her and asked if there were any boundaries she said nope let's just get to it!!

Gave me impeccable head !! Vibrating tongue ... I was like you are good

10 mins in she said you said you wanted to kiss me I said yup let me return the favour she said I'm wet lol

Anyways I went downstairs and proceed to lick her pussy so good she came quickly in her words lol She was totally connected and in the moment.

On with the rubber and amazing cowgirl after missionary
She then turned over and said I'm there. She motored in eyes rolled
We moved to doggy and I gripped her heels feet up
And proceeded to work whilst she messaged my balls to explosion

Great girl ... amazing sense of humour and Tina I will obey your orders and book you again on
Friday again lol

10/10 she was

Shame she leaving get in there boys before it's too late
