The Lady:

Beautiful long haired lady that I had been wanting to meet for a long time as I'd tried to make a booking elsewhere. Once I saw she was at HOD I had to make that booking & I enjoyed every moment of the hour booking.

The Story:

Called to confirm early to be told that Porcha hadn't confirmed herself yet, about 20 mins later I get a text saying she was on her way. I arrived on time but Porcha still hadn't arrived. Porcha finally arrived just after I'd taken a shower saying that she'd had a journey from hell, her car broke down & trouble with the trains. It took her a few minutes to calm down but once she did the meeting got better & better. First some nice gentle kisses followed by Porcha taking me in her mouth & giving me a fantastic blow job. We moved into a 69 where I could also rim her. I had to ask Porcha to slow down but it wasn't long before I shot my load over her body. After a quick clean up I was given a massage and her hands wandered between my legs & started stroking my balls & pushing a finger against my arse which made me move to give her better access. I turned over & a rubber was put on me then Porcha got on top to ride me. We changed positions a few times before I was given more owo. Porcha done everything she could to make me pop a second time but it wasn't to be. After such a bad start to a booking, this turned into a great hour spent with a lovely lady who I will see again.
