Rudi's profile and Twitter pictures are accurate. Statuesque, with a naturally very beautiful face and a body that is just stunning.

The Story:

I am surprised that Rudi doesn't have any reports and I am loathe to write this one in some respects.

As a young man growing up in the UK many years ago, I would occasionally see exotic, beautiful women in magazines or on TV. Depressingly, I never imagined I would be intimate with one of them. Thankfully times have changed.

A beautifully sensual, erotic and intimate session that will live long in the memory.

Note the comments on her profile, treat her with the respect she deserves and you will be rewarded.

Thoroughly recommended.
