### The Story:

I have seen Morgan previously but I didn't review her. After my last visit I thought I should leave a review. I was excited to visit Morgan as my previous visit was really great. One of the friendliest ladies I have seen. I was kinda nervous as usual but I knew it would be a good time with her and I wasn't wrong.

My usual preferences are DFK, and GFE. I think I had DFK in my previous visit but this time it was FK not DFK. However, like the previous time, she was very friendly and I didn't notice any pretentious attitude.

If I describe her in a line, then I have to say, she is one of the friendliest ladies I have seen. I am usually not so talkative but I think I liked talking to her ????
