The Premises:

Usual first floor Victoria flat. The room next to the bathroom but they're really all the same.

The Lady:

Photos on the website are unobscured so you know what you're getting which is a remarkably pretty, sexy young lady with tasteful tattoos. In the flesh Lucille is bonkers pretty with dark brown eyes you could get lost in and luscious lips made for kissing.

The Story:

Lucille entered wearing black lacey lingerie and we didn't need to pause for any paperwork as I'd accumulated enough visits for my complimentary one. Lots of kissing that got ever more passionate before a nice bit of owo then some cowgirl. I flipped her over and a long, hot mish session followed with lots of rather loud gasps and squeals from Lucille which I enjoyed hearing. Did some 69 and loved her tasty pussy then a bit more owo before I wanked myself to a climax while snogging Lucille deep and hard. A nice chat and very affectionate kiss and cuddle followed with Lucille running her hands through my hair while I caressed her lovely body. My, my what a lucky chap I am to have the attentions of darlings like Lucille what with being almost 3 times her age (well, not quite yet). She tells me she has her regulars and I'm not surprised. I'd happily become one of them!
