The Premises:

Easy walk from Gloucester tube station in a quiet, safe location. Flat was tidy and clean with a decent bathroom and an inviting bedroom space.

The Lady:

Delia was highly desirable, delightful as a person, and deliciously sexy. Romanian background and accent but with good English - very easy to speak to. Appears to be in her 20s. On the taller side as advertised, with a beautiful well-kept body - lovely breasts and bottom. Easy to be entranced by her playful eyes. Notably full lips, which makes kissing her a dream.

The Story:

From her full lips to her lovely nipples, eager pussy and slender legs, Delia's body is a pleasure palace. I couldn't stop tasting her lips and tongue and enjoyed some wonderful deep french kisses throughout the two hours. She was so caring and willing to please throughout - with a very natural GFE including OWO, tantalising BJ, energetic MISH and a relaxing massage to follow. Lots of eye contact, smiles and encouragement, along with a glass of wine to top it all off. I left totally satisfied and wouldn't hesitate to book again. A total delight.
