The Premises:

Ego's is well reported on here, safe, clean, quite and easy to park. All seamlessly sorted by the lovely Milly (has such lovely eyes), let in and had my temperature checked, nice to see they are still caring about their clients and staff.

The Lady:

Absolutely stunning lady in her 30s, fantastic boobs fully shaved down below.

The Story:

First time seeing Eve, certainly won't be the last. Eve entered the room with enthusiasm and a lovely smile, felt from the start that I was going to enjoy my time with her. She was wearing the standard black uniform, which when removed revealed nothing underneath - bit of a shock to my poor old heart. Asked if I had any issues and how firm I would like - I like it firm and Eve performed a wonderful back massage and released all the knots in my shoulders. Obviously this is erotic massage so the leg and back massage was interspersed with naughty touches which was lovely. The main event was heaven, performed with fun and skill... Just heaven! I've been looking for a replacement for the lovely Jamie, I think I may have found her!
