The Story:

Words fail at this moment, i enjoyed her company very much, her beauty can be a bit intimidating at first but as she greets you and opens her mouth you just fall under her spell, she is fantastic, I highly recommend Eden for any gentleman, because she is a lady of high class and standard, she will help you relax and in every way and no rush...your in control.

I have been to a few other agencies and i must say i have walked away because what was on the tin was not in the package!! i.e false profile....you know what i mean.

One2one-escorts in Aylesbury delivers. All the pictures are real and all the ladies are exactly as their profile.

Eden is perfect.
